

# THE Brethren CHURCH

---

Following a season of growth and a refreshing staff retreat near Ashland, Ohio, The Brethren Church is officially looking to complete our team by filling a key leadership vacancy. It was a rare and joyful moment to have nearly everyone—including our newest additions—in one room. Outside of General Conference, these retreats are the only time we truly get to work side-by-side as a full team, and the energy from that time together is still with us.

However, there is still one empty chair at the table. That empty chair represents a vital role in our regional network, left open as our team evolves to meet new challenges.

During our time together, Dan Acker was effectively sitting in two seats. While he recently stepped into his new role as the Coordinator of Vitality, he has continued to serve as the West Regional Resource Coordinator. The overlap between these two roles made for a smooth transition, but Dan's willingness to do double-duty was always intended to be a temporary bridge.

We are now officially opening the search for our next West Regional Resource Coordinator. This is a quarter-time (10 hours per week) position centered on connection. The person in this role acts as a vital liaison, supporting denominational priorities while linking our congregations, the Regional Leadership Team, and the National Staff.

Our goal is to have this new team member in place well before we meet in Fort Wayne for the Brethren Conference this July. Getting started this spring will allow them to hit the ground running and make the most of the conference experience alongside the West region.

If you or someone you know has a heart for this region and the skills to coordinate these vital relationships, we would love to hear from you. By filling this position, we ensure our congregations remain connected and supported during this vital season of ministry.
